BIG BROTHERS BIG SISTERS OF MIAMI ALUMNI ASSOCIATION

At Big Brothers Big Sisters of Miami (BBBSM), we foster a sense of community and belonging. When our Littles graduate from our programs, so do our Bigs – but that does not mean they graduate from our family!

Our alumni program engages individuals who were previously a Big or a Little. As a BBBSM alumnus/a, you are a part of a network of over 65,000 children and another 65,000 mentors who have gone through our program over the last 60+ years!

MISSION STATEMENT

To engage former Bigs and Littles, cultivate relationships, and foster connections among the alumni community and the BBBSM community.

VISION STATEMENT

To foster a spirit of pride, connection, and support among alumni through ongoing, meaningful relationships – with each other and with BBBSM – to further the impact of current and future programs.

PRIDE

Show loyalty and pride by serving as ambassadors to the mission of BBBSM, and sharing your stories of how BBBSM has impacted your lives and your community.

CONNECTION

Stay connected and engaged with former Bigs and Littles, friends and families of BBBSM, and other members of the community via group programming, special events, continued mentoring, and more.

SUPPORT

Invest in the future of youth and families in our community by donating volunteer services, financial contributions, in-kind gifts, and other support to BBBSM.

PRIDE.CONNECTION.SUPPORT.

Reconnect with our community of volunteers and mentors, and reignite your passion to defend and empower the potential of Miami's youth.
